MEMORANDUM FOR: Mr. James A. Brammell
Director, Office of Basic Intelligence

SUBJECT: Storage of OBI Records in the Federal Records Center,
Suitland, Maryland

1. In order to prolong availability of space in the CIA Archives and Records Center, it is proposed to move approximately 18,000 cubic feet of NIS and map stock into a secure vault area in the new Federal Records Center now building at Suitland, Maryland. This move will begin after June 1, 1967.

2. The vault space assigned to CIA has been inspected and approved by the Office of Security.

3. The CIA Archives and Records Center will retain control of and provide reference service to the records.
